A MESSAGE FROM THE PRESIDENT

I hope everyone is safe, healthy, supported and coping through our current "social distancing". Please be sure to reach out to your social groups and friends including neighbours who may not have a network of supporters. Thank you to everyone who is contributing to the health of our community. Kindness, patience, love, enthusiasm and a positive attitude are contagious! Don't wait to catch it from others – be a carrier!!! We all need to support each other as we are resilient, caring women. This current situation will pass. Hopefully we will all be able to meet again as a group in September!

Editorial

Just a reminder that some of our members are on their own without near-by family or friends. If you know of someone, please reach out and check on their health. If you are that person, contact anyone and let them know how you are doing. We need connection as much as we need other essentials.

Our 15th Anniversary will be held at our September meeting. AGM will be held at our October meeting as well as new inductees. Our new inductees are welcome at our September meeting as guests.
