If you think dogs can't count, try putting three dog biscuits in your pocket and then give him only two of them.

-Phil Pastoret

Grand Stampers' meeting - August 10, 2019

In the absence of Audrey, Sandra presided. She welcomed everyone.

Clean Up - as in previous meetings it has been suggested that everyone clean up around their work area. Dede and Laura volunteered to do the sweeping.

Ellen brought us up-to-date on the membership. We have 32 paid members. Please note that this will be the last communication you will receive unless you have paid your membership for the coming year.

A suggestion was made about having an Open House sometime in the future. It will take a lot of planning. Dede is going to check into whether we will be able to use the building for such an event.

Upcoming meetings -

September - Pat Ottaway-Bryan - she explained what the project will be - each member is to think of things that relate to them. They will make a card that depicts these things that can then be put in a picture frame, if you wish. (See attached sample).

Further explanations from Pat: [Re: Special Collage Birthday Cards for friends](#)

Previously, I had asked my friends to email me regarding "what they're all about" (hobbies, likes, bling, pets, gardening, sewing, etc.). I then googled these things for images I could use in their card. I also added embellishments. For some, I even put their card into a frame.

Thought: At the September meeting everyone could put together their own card and frame. Perhaps about ourselves. This will mean a lot of "homework" will have to be done prior to the meeting.

Tasks

- Purchase the size of frame you will be using
- Decide what hobbies, etc. you want to include
- Download the items onto a computer, where you can do the sizing, etc.
- You can also use stamps (i.e. Flowers to depict gardening)
- Determine the "colour scheme" for this project
- Print out the completed items
