# Seasons Greetings

## President's Message

As Christmas and the new year approach, it's time to ponder and reflect over the past year and plan for the new one.

As it relates to Probud, we've not only enjoyed very interesting speakers but many have also participated in our many and varied extra activities, trips, lunches, walks, card games, book club, to mention a few.

We've also been blessed with learning to know several new members and the continued interest and participation of each member.

We now have over one hundred and eighty members.

I'd like to take this opportunity to wish for each of you and yours a very Merry Christmas and a healthy and prosperous New Year!

Joan Moyer

## Flashback to our November Meeting

**Greeters:** Lynda Berg and Joyce Hall

**Guest Speaker:** Luisa D'Amato

Introduced by Janice Monnen; Thanked by Diana Esmits.

Luisa D'Amato, is a Waterloo Region Record columnist. She writes on issues affecting day-to-day life in the area. She was born in New York City, raised in England, and has lived in Canada for 33 years. When she's not writing, she's singing – or volunteering – with the Grand Philharmonic Choir. She is described as one of Waterloo Region's influencers who is changing our community.

# Happy Holidays!

### Remembrance Day

Everyone recited the poem "In Flander's Fields" after singing "O Canada", followed by Joan giving a brief recognition of Marion White's contribution to the Cold War.

### WHAT'S MY LINE:

**Anne Cherwonogrodzky** joined our Club a year ago. Anne was born in Welland and went to St Catharines Teachers College. She has taught Grades 1 – 8 for 30 years. Anne has lived in Cambridge for over 40 years. She worked during the day and worked for her university degree during the evenings and summer months. She does a lot of volunteer work.

Anne enjoys biking 20 KM twice a week or more.

When she went to China, Anne took a 10-week Mandarin course so she could speak and read Chinese. She said that was easier than learning to play bridge.

Probus enriches Anne with its speakers and special events. The Book Club has exposed her to the different genres of literature.

Anne's favourite expression is: *Take one day at a time and enjoy each moment the best you can!*

Anne's greatest accomplishment was receiving her university degree.

*Lunch Bunch*

**Neither the Wednesday Lunch Bunch nor the Thursday Lunch Bunch will meet in December.**
