A MESSAGE FROM THE PRESIDENT

Greetings

We are now at the end of another year—a year with many changes and challenges due to this pandemic that we have been living with since March 2020. The members of the Management Team have worked all through the year to continue organizing meaningful meetings to keep you informed with current events by choosing speakers whose topics were very informative and offering you sessions where you could socialize with other members.

Our next meeting on June 9th will be our AGM. Aline Chan, our Secretary, will email all the management reports for you to peruse at your leisure. Since all members have accepted to continue in their position, there will be no elections or inductions. Suzanne Cline, our Treasurer, will review the budget for the year 2021-22. It has also been previously emailed to you. You will find the list of the Management Committee members outlined in this Newsletter.

In order to keep our membership list up to date, please remember to send your completed form to Anne Cher, our Membership chair. Anne is still waiting for 39 forms. Remember, there is no fee for the coming year.

At the June meeting, there will be entertainment and the draw for beautiful baskets prepared by Moraig Waite & her committee members. I will keep my fingers crossed.

To give our Management Team members a rest and a chance to reboot their energy, there will be no meetings in July & August. We will meet again in September. Planning has already begun for the fall. Enjoy your summer and the warm sunny days.

Stay safe, stay healthy.

Yvonne Yersh

PROBIAN REFLECTIONS

If one is to reflect on the past year with all the new challenges due to the Pandemic, it is clearly evident that the Secretary of The Woman's Probus Club of Cambridge Riverside, Aline Chan, deserves worthy recognition for her dedication to keeping the club organized and connected. Aline not only maintained her regular duties such as recording, maintaining or distributing the minutes, agendas, correspondence, formal governance protocol, membership lists, and Newsletters but also took on the new technological responsibilities. Our members have been able to stay connected to the club through monthly Zoom meetings. As Zoom host, Aline has opened doors for us to continue with our great guest speakers, enjoy good discussions and receive continued management support. In addition, our website has been improved and includes interesting and relative information for our Club.
