**Flashback to our March Meeting**

**Greeters:** Linda Berg & Laura Cook

We celebrated Annual Probus Month with a question and answer period with IPP Probus Canada Maureen Irving, Janice Mononen and Joan Moyer, answering questions regarding how Probus works at the International, National, Provincial and Regional levels.

Our Guest speaker was Carley Pope of Rare Charitable Research Reserve which is a 900+ acre land reserve situated at the confluence of the Grand and Speed Rivers in the heart of Waterloo Region. The reserve is a beautiful and culturally significant landscape that includes trees more than 240 years old. Rich in biodiversity, Rare is home to an array of flora and fauna; some of which are ranked significant regionally, provincially, nationally and even globally.
