Audrey Derii started the meeting with the Show'n Tell portion. Etta, Pat, Sandra showed us their creations and Audrey shared a birthday card for her grandson as well as a tip using alcohol ink on sparkly paper and dies to cut them out. So grateful to be a member of this group. It is always a learning experience and we receive lots of inspirations.

Thank You so much, ladies.

Audrey received the following e-mail from Lynn McBay:

The Zoom meetings could change into In-person meetings in the spring .

The Show'n Tell portion of the meeting generated 2 Demos for next month – November: 1st. Etta will share one of her cards and 2nd. Sandra volunteered as well to show us how to create a Foil Card. Audrey mentioned that it would be good to receive in advance - a list of supplies needed for next month's project. Especially if we have to find that foil paper for Sandra's card which looked intriguing.

The FUN part of our meeting was a Spinner Card by Audrey Derii, demonstrated by Aline Chan. A cute interactive card that is super fun. It is easier to watch the Zoom meeting video than to explain it. Here is my first attempt at one of these cards using a technique to give the card that extra something to make it more interesting. Here are the dies I used and just before assembly. The card is for my grandson's birthday on January 6 when it is still cold but the holidays are over: AND IT SPINS.

And last but not least, Sandra showed us some marvelous cards that could be easily adapted to any theme. Very inspiring. Please watch the video. I still have to try her cards. The spinner card took a while – for me anyway.

Many Thanks to Sandra and Audrey for sharing and to Aline for demonstrating.
