## Zoom Meeting Saturday March 12, 2022

Audrey Derii started by talking about how well we did at these Zoom meetings. People have been very generous in offering their creations. For the future - please don't feel you have to demonstrate yourself if you have something to share. Someone else could do it for you.

Ellen Anscombe is dealing with the Lodge. Apparently the second Saturdays are booked and the first time we could meet back in Person would be in July. Ellen is to check with the Lodge if there is a different Saturday available temporarily until we are able to secure the second Saturday each month. It seems like July is too far away. We might be able to go in May and June?

Membership Fees may have to go up on account of the Lodge rental fees. There is no Rate yet.

A couple of people thought it was too soon to start back in person. Another point was raised against it - the cost of gasoline. In the end and after some more discussion, a show of hands confirmed agreement to the In Person meetings. As of now, the lodge will be booked for July.

Four of us were at a workshop at the lodge this past week. We all appreciated being able to meet, exchange ideas, work together etc. Everyone was wearing a mask and there were two to a table. It worked out great.

Sandra Hahn welcomed Jane Campbell back to our Zoom meeting. It was so lovely to see and hear her. She has just finished her treatments.

Sandra also mentioned that Pam's store in Hagersville is having a 50% off everything in the store Sale. Sometimes even lower prices.

Elaine, Pat, Elvira, Dede and Sandra participated in the Show'n Tell part .

Dede showed a card on which she used hand made 'pebbles'. She used stickles and a silicone mat to do this.

April will bring us two different demos - one by Elaine Smith and the other one will be a box card by Dede.

After the Business part was over, Aline proceeded with the 'Fun' part.

Demo # 1 by Sandra Hahn An easy Fun Fold Card.

Demo # 2 by Pat Ottaway-Bryan Creating backgrounds for cards by using paper strip scraps.

As always, Aline's efforts can be viewed accessing this link:
