

## Management Reports, Year-End June 2022

### **PRESIDENT'S REPORT**      **Yvonne Yersh**

Another year of many changes and challenges. Since COVID-19 continued to present itself with different variants, we, as a club, had to continue meeting through Zoom. The Management Team had decided that our May meeting would be an in-person one at the Portuguese Club but unfortunately it was cancelled as there were too many cases being reported and we were looking to protect our membership.

During my two years as President, Probis has provided me with wonderful new friends and the opportunity to listen to great speakers. More than that, it has given me the opportunity to work with amazing people. Aline Chan, our Secretary and technical adviser, has made these Zoom meetings a reality and updates our website on a regular basis. She also keeps our members up to date with our decisions by sending out e-blasts and our monthly Newsletter. All the other members of the Management Team continue to work diligently to keep our club vibrant and as active as we are allowed. Barb Fiddler, our President Elect, Suzanne Cline, our Treasurer, Lyn Pinnington/Jan Woynarski, our Program Co-directors, Anne Cher, our Membership Chair, Germaine Glaves, our Newsletter Editor, Moraig Waite, our Special Events Chair - have all been working with their committee members in order to make our club a successful one even though we can not meet in-person. Lynda Berg, our Travel Chair, keeps in touch with Kelly Fields to continue organizing outings for when we will be permitted to do so. Patrice Wappler/Linda Stoltz, our Facility Co-Chairs, keep in touch with the Manager of the Portuguese Club. Gloria Coppes, our Public Relations/Archives Chair, is always at our meetings to assist in the planning. Barb Camilleri, our member-at-large, makes sure our club is following the Policies and Procedures.

A big thank you to all these ladies and their committees. They have guided me throughout these last two years with their many skills, dedication, energy, humour and most importantly their support, guidance and friendship.

Finally, it has been a privilege to lead this club these last two years. In spite of the challenges of COVID-19, I am grateful to have had this opportunity. Also, I am grateful for the trust the executive and the membership have shown in me. Thank you. Be safe. Be well. It is an experience I will take with me in my new endeavours, as I leave for my new home. Stay safe, stay healthy.

Respectfully submitted by:

President

### **PRESIDENT ELECT**      **Barbara Fiddler**

What a noteworthy year 2021-2022 has been! It has been filled with both paradox and stability, sprinkled with lots of discussion and adaptability. Fortunately, I have had the opportunity to be part of such a proficient Management Team and also on a few Committees. Each and every resourceful individual has been working carefully to enrich our Probis members during such an unpredictable year. Through my Probian Reflection articles, I wanted to highlight the Teams so that others could see how their abilities and willingness were the glue keeping our club connected, learning and moving forward safely. Thank you!

As guidelines began to change and Covid cases were decreasing, we thought it would be wise to organize a Transition team to look at some of the solutions and do the leg work to move us to in-person meetings. As part of this Transition Team, I am aware of the many ideas, research and hours that were put into accomplishing this goal only to have either new guidelines or variants spiking, augmenting our concerns for safety and peace of mind. Decisions were altered for both our General Meetings and Special Interest Activities. The support of the Program Committee whose role depended on attaining either zoom speakers or in-person speakers was paramount! Thank you for adjusting as needed and providing us with such great programs!

A sincere thank you to Yvonne Yersh, as President, for her unwavering commitment. Over the last two years, Yvonne has Chaired every meeting while encountering many new challenges and learning situations. Her dedication to the members of Probis Riverside has been significant and her decisions, when called upon, have been thoughtful and careful. May you enjoy your new adventure. All the best!

As we go into next year, my hope is that we can find flexible solutions to our new evolving and fluid reality so that we can get together in person without interruption. Until then, please stay healthy and well.

President Elect

**Member-At-Large Barb Camilleri**

This is the second year that I have taken this position, effectively to fill the role of Past President. Integral to the Past President role is chairing the Nominating Committee. In addition, arranging a “get-together” of all past Presidents.

I sincerely express my admiration for the Management Team as Covid continued to upset all plans, but they kept looking forward to better times!

Respectfully submitted,  
Member-at-Large

**TREASURER Suzanne Cline**

We have survived a second year of not meeting in person. Our Special Event and Program Committees have again done an amazing job making our Zoom meetings interesting and entertaining. The 2021-22 budget had allowed for in-person meetings as of January. Not meeting in-person has resulted in savings of \$4,000 rent in the current year financial results. Other various items have brought our income to a total of \$4,253 over budget.

The net result has a final bank balance of \$5,716. There are also three GICs for a total of \$24,282.

The management committee has decided that our fees will remain at \$75 for the coming 2022-23 year.

Respectfully submitted,  
Treasurer

**SECRETARY Aline Chan**

It has been quite a year! We survived a pandemic over two and a half years, and were quite adept meeting on Zoom. Thank you to our Program Committee who have kept us entertained with a variety of speaker and to our Special Events committee who have kept us entertained us - they outdid themselves during these unusual years. We had a committed management committee who were the spokes to our successful team work.

Besides the day-to-day secretarial duties, I handled the technicalities of Zoom meetings.

I also took it upon myself to connect with our guest speakers on Zoom to ensure equipment compatibility. Some speakers had cold feet while some were adept at using electronic means to convey their work.

I posted pictures and bio’s of new members on Zoom, for induction purposes.

We have had an average of 76 attend our Zoom virtual meetings, with an average of 120 viewing the YouTube recordings each month. The break-out rooms at the end of each meeting were interesting – some people spoke about our speakers; others spoke about life in general.

The Club’s website had many hits. Some new members found us in a search for a Probus Club. Some Probus Clubs asked if they could ‘case’ our website and copy information we have there.

We stopped meeting in-person in April 2020. The rest is history.

Secretary

It was unfortunate that, due to on-going covid restrictions, we were unable to meet in person for a June 2022 luncheon.

**DECEMBER 8, 2021 CHRISTMAS PARTY – ZOOM-STYLE:**

Despite being again unable to meet in person, but due to the innovative ideas from a very cohesive S.E. committee, we were able to have a very successful Zoom Christmas party. We were gratified to receive many positive comments for our efforts.

Our entertainer, Magician Chris Pilsworth, was able to amaze us with his Zoom-style magic, and the Sharps and Flats, who met at my home, entertained us with a variety of Christmas carols. They also assisted in musically helping our guest, “Herself the Elf” draw the 12 names for our gift cards purchased from local businesses. Members were very appreciative to receive the gift cards. I suspect that the Christmas one-liners were also quite well-received – quite a challenge to tell jokes to dead air!!

No live pictures were taken this year because we were on Zoom for the whole year.

Some photos from prior year’s meetings and events were used in the PROBIAN PROFILE segment of the Newsletter and one obituary. Barb Fiddler wrote the prose and I scanned and sent her the pictures to support it.

We will be back at the Portuguese Club soon and I will be taking pictures of your happy faces...

Keep smiling!
