A MESSAGE FROM THE PRESIDENT

Hello Ladies,

The sun is shining. The air is clear. June is just around the corner and the warm weather has finally arrived. On the COVID side, we are hoping that we are seeing the end of it. Our June meeting will once again be on ZOOM, not by choice but because we are considering the safety of our members. However we are looking forward to our September meeting as we anticipate it to be an in-person at the Portuguese Club. The members of the Special Events Committee are planning a celebration luncheon to commemorate this illustrious event. We last met in March 2020, so we are anticipating a joyous reunion. Please see the Special Events notice posted in this newsletter on how to register for your lunch. In order to keep our membership up to date, we are asking that you return your registration form to Anne Cher by June 20. To those who have already done this, we thank you.

In closing, I want to wish Barbara Fiddler well as she begins her year as President. I am confident that she, along with the members of the Management Team, will do an excellent job. As I am leaving this club in June, I have fond memories for my ten years as a member. It has been a great experience for me as I have met many good friends, enjoyed many activities and listened to many talented and skilled speakers.

Finally, it has been a privilege to lead this club these last two years. There have been many challenges during COVID but along with the other members, we have overcome them. I am grateful for the trust the executive and membership have shown in me. Thank you.

Be safe. Be well. Better days are coming.

Yvonne Yersh

MESSAGE FROM THE TREASURER

Probian Reflections

Janet Eberhardt

Janet was born in Windsor, Ontario. She graduated as a registered nurse from St. Joseph's Hospital School of Nursing in Hamilton, and settled in Cambridge. Janet married Bob and have 4 children, David, Brian, James and, Elizabeth, all of whom are now married and have given Janet and Bob 4 much-loved grandchildren. Prior to starting her nursing program Janet volunteered for the Anglican Sunday School by post. The goal was to set up vacation Bible schools in small country churches in remote regions of northern Saskatchewan. She and her working friend, Cheryl travelled 3000 miles across the northern prairie, visiting 186 families. Janet took a part-time position at Freeport hospital.

The family were very involved in the scouting movement, and in 1983 embarked on a scouting exchange in England, with a side trip to Europe for Janet and son, Brian. It was during this venture that Janet came down with the travel bug and has since travelled extensively.

Janet did the Camino Walk in Spain twice. She also did a virtual Camino with the Conqueror challenge when covid struck. Since age 12 she has been working on family history. She is an avid gardener and is a member of the Preston Horticultural Society. She enjoys quilting, and is co-ordinator for the Busy Hands program

Janet and Bob enjoy ballroom dancing, line dancing, square dancing and round dancing. Both also volunteer at the Bruce County Museum and Archives in Southampton.

Over the years Janet has hiked the trails as part of a ladies walking group and is very grateful for how RARE has enriched our lives.
