

Flashback to our February Meeting

Greeters: Doreen McIntosh and Frances Jacques.

Our Guest speaker was Noreen Mikelsons who spoke to us about her life as a result of having been born with a clubbed foot and the many surgeries she had to try to correct it. She became a Registered Nurse and taught nursing at Conestoga College. At age 55 she had her leg amputated due to deterioration of the bones. Throughout it all Noreen maintains a great sense of humor and is a warm and wonderful person.
